

# WOOD GATE WHEEL FOR WOOD APPLICATIONS

The Nationwide Industries® Wood Gate Wheel is designed to reduce gate sag and improve movement over uneven surfaces. It's a simple, effective solution for extending the life of your wood gate while making operation smoother and more reliable.

## KEY FEATURES:

- Supports gate weight to help prevent sagging over time.
- Improves gate movement across gravel, grass, or uneven ground.
- Heavy-duty wheel construction built to handle daily wear.
- Easily attaches to the bottom of wood gates using standard mounting hardware.
- Ideal for larger wood gates in need of extra support.
